

Position Announcement

Senior Associate, Health / Human Services & Nonprofits

CGR invites applications for a team member at the Senior Associate level or higher to contribute to our practice area work with Nonprofits and Communities, along with Health and Human Services. CGR is committed to helping communities be strong, thriving and competitive, and our work with nonprofits and health / human service organizations is central to our mission. Ongoing projects include leading data-driven community needs assessments, strategic planning for nonprofit organizations, supporting clients through difficult organizational changes, and program evaluation efforts.

The ideal candidate has an extensive background in – or working with – the nonprofit and public sectors, is a strong writer, is highly skilled at client engagement and has advanced data analysis skills. An inquisitive nature and entrepreneurial spirit will help the applicant excel.

CGR is committed to building a culturally diverse team and strongly encourages applications from minority and female candidates. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.

Education Level: Advanced degree, or Bachelor's degree plus experience

Experience: 5+ years in project management, data analysis and client / stakeholder engagement role

Position Responsibilities: Project design, project management, data analysis, client management, community involvement

Key Skills: Excellent written and verbal communication, analysis of qualitative and quantitative data

Travel: Occasional travel required on a project-by-project basis

To apply, submit a cover letter and resume via email to kyorks@cgr.org. Additional information on CGR is available at www.cgr.org.
