Statement on Diversity

CGR values diversity from all backgrounds and seeks to create a welcoming workplace that attracts and retains a wide variety of talented people with different perspectives and new ideas. We value diversity among all dimensions of the human experience, including gender, race, color, religion, gender identity, national origin, differing abilities, gender expression, veterans, socio-economic status, and sexual orientation. We believe diversity improves the quality of our work and the communities we are part of, making an important statement about the inherent worth of every individual.

CGR endeavors to create a respectful, inclusive and welcoming workplace as the ground on which a truly equitable and diverse organization flourishes. CGR seeks to take responsibility by being aware of the consequences of its actions, by having open dialogues, and holding all levels of the organization accountable for diversity work to minimize the burden on individuals (particularly those from marginalized and under-represented populations and cultures) to advance diversity goals. Creating an excellent workplace climate ranks high among our priorities for achieving our organizational diversity goals.

In an effort to meet our organizational diversity goals, CGR seeks diverse, qualified candidates for all positions. To assist CGR in evaluating our performance on these goals, we ask candidates to consider voluntarily disclosing certain characteristics.
