CGR Releases 2017 NYS Top Employers List; Health Care Dominates

Rochester, N.Y., June 20, 2018 — Rochester-based CGR has released its list of New York State's largest private employers in 2017. Health care providers occupy nine of the twenty spots, led by Northwell Health. An additional four places go to financial services firms with a major presence in New York City's powerhouse finance sector.

CGR compiles the list from a variety of sources as part of a periodic engagement with upstate New York's largest private employer, the University of Rochester, including its Medical Center and many health care affiliates.
